Simply provide a list and we'll take care of the rest! We can even arrange a week's worth of full prepackaged, prepared meals to be stocked in your coach. Our catering department can handle any size request for corporate events, family reunions or help you host the ultimate tailgating extravaganza.

Comprehensive RV Itinerary Planning

Don't miss anything on your luxury RV vacation. A personal RV travel planner can completely customize an itinerary designed specifically for you. Rest assured, you're in good hands. Being experienced RVers themselves, our itinerary planners know all the best spots, side trips, and hidden gems. Having all that first hand knowledge and expertise is worth its weight in gold in getting you the best possible routing, camp resorts and campsites out there. Just let them know where you want to go, and they'll take care of everything from booking campsites to arranging your adventures and excursions. Looking to play a round of golf? A day at the spa or to dine out? Your personal planner will make it happen, so all you'll need to do is show up. If you are new to RVing or an experienced RV enthusiast, this service can help make a good trip great, and a great trip...LEGENDARY!
